Graduating Class 2021

April 2021

Dear Take Stock Class of 2021 Graduates:

Graduating high school is a momentous achievement that we celebrate with you. As the President and CEO of Take Stock in Children, I want to offer you my heartfelt congratulations on reaching this milestone moment because it is a direct reflection of your determination to achieve your dreams.

You have faced an extremely challenging year, and this next step in your education is an exciting journey into a world of new opportunities. I'm confident that each of you will be successful in your postsecondary pursuits.

To each graduating student, I commend you for your outstanding efforts and the resilience that has made your graduation from high school possible. Take the time today to thank those who have been with you and will continue to be with you on this journey, because no matter the barrier, you have taken every experience and turned it into a positive learning lesson.

Remember to immerse yourself in college experiences. Become a student leader or a member of an organization on your college campus. Stay committed to your studies, give back to your community, and continuously challenge yourself to be passionately engaged in your future. It is also important to enjoy your college experience and have fun by meeting new people and exploring new classes and activities.

Take Stock will continue to be your partner to support you every step of the way – through our Take Stock in College program and beyond. We hope you will join our Take Stock in College Connect platform. We also hope you will continue to stay involved in the Take Stock family by paying it forward and becoming a mentor to another Take Stock student as you embark on your journey of finding success in college, career, and life.

Even though you are graduating from high school and Take Stock in Children, you are forever a part of Take Stock Nation.

Congratulations, Take Stock Class of 2021! You've made us proud.

Sincerely,

Jillian Hasner
President and CEO
Take Stock in Children

CONGRATULATIONS TO THE 2021 BROWARD HONOREES!
